FAQ: WHY IS IT FREE?

The plan is administered and funded by the New York State government to assist individuals in underserved markets with attaining comprehensive health coverage. Because medical expenses are a leading source of debt in the United States, New York routinely subsidizes and funds health insurance plans for its residents.

FAQ: CAN I USE IT TO WAIVE UNIVERSITY INSURANCE?

Yes! Most students can use the insurance to waive health coverage provided by their university. At this time, we have confirmed that the following schools are able to waive coverage: NYU, Fordham, Pratt Institute, School of Visual Arts, Parsons The New School, Cornell, and Syracuse University. Students in the CUNY system are able to apply on a rolling basis.
